## **ARTICLE III – REQUEST FOR PROPOSAL & SERVICE AGREEMENTS**

### **3.1 ACEH GRANT PASS-THROUGH FUNDING**

As the convener of homeless services and providers, ACEH supports partners and members in their critical work to address homelessness. ACEH, as a part of routine business, may be awarded pass-through funds from government and/or philanthropic partners. When ACEH is awarded grants and/or contracts that require direct client facing housing and/or homeless services, unless aligned to a strategic activity or the core ACEH mission, ACEH will engage in a Request for Proposal (RFP) process to identify local program partners to sub-contract the work to organizations whose core mission includes direct services to clients experiencing homelessness. Participation on the Advisory Council does not exclude an organization from RFP consideration (see recusal details below).

### **3.2 ACEH REQUESTS FOR PROPOSALS AND CONTRACTS**

To manage this process transparently and ethically, the Advisory Council's Compliance Committee may participate as appropriate when a grant is deemed by the ACEH Finance Committee to be sub-contracted. The Compliance Committee may appoint a Ranking and Review Committee to review submitted RFPs in partnership with ACEH staff to generate a recommendation for awards with the pre-defined scoring criteria by ACEH. These recommendations will be reviewed with the full HPRS Advisory Council for awareness. The HPRS Advisory Council Chair will then bring these recommendations to the ACEH Board to vote to approve the recommended awards.

### **3.3 RECUSAL**

No Advisory Council Member may participate in or influence discussions or resulting decisions concerning the award of a grant or other financial benefits to the organization that the Advisory Council Member represents. All voting Advisory Council Members shall have the right to recuse themselves from voting on a matter without providing excuse.

Any Advisory Council Member who is aware of a potential conflict of interest with respect to any matter coming before the Board, Advisory Council, or any Committee is obligated to disclose such a conflict of interest to the entire Advisory Council. Council Members are required to carefully read ACEH's Conflict of Interest Policy and sign the document confirming receipt and understanding.
